CAFFE' CALC

DESCALER FOR COFFEE MACHINES

Descaler with organic active ingredients for coffee machines, boilers and heat exchangers.

- Removes limescale residues from coffee machines, boilers, heat exchangers and encrusted parts while maintaining the functionality of mechanical parts.
- It is easy to use and does not damage rubber seals that come into contact with the product.

INSTRUCTIONS FOR USE

- Dissolve 500 g of the product in 5 litres of very hot water.
- Completely immerse the parts to be descaled in it.
- Allow it to work for 1 hour.
- Rinse thoroughly with running water.

PRECAUTIONS

Consult safety data sheet.
