## **DET & RINSE TAB**

### **TABLET WITH DETERGENT AND RINSE ACTION FOR SELF-CLEANING OVENS**

Powder tablet designed to be solubilized in the washing cycle, thanks to the new composition of active ingredients, it permits to obtain an energetic detergent and rinse aid action in the chamber of professional ovens with automatic cleaning system.

It performs an energetic degreasing and decarbonising action, removing cooking residues and leaving the bright chamber without streaks.

The component substances are not aggressive on the contact materials.

#### **INSTRUCTIONS FOR USE**

Use in dosage according to the **manufacturer's instructions**.

#### **PRECAUTIONS**

Consult the safety data sheet.
