Technical Data Sheet

EVERYDAY

READY TO USE FAST EVAPORATING DETERGENT

It is a ready to use fast evaporating scented detergent. It is studied for the **daily cleaning** of hard surfaces like furniture, desks, lockers, doors, window and door frames, chairs both in laminated and plastic.

The product rapidly evaporates and contains special components preventing the re-accumulation of dirt as well as ammonia components to remove stubborn dirt.

It is *NOT* flammable and it is pleasantly scented.

It is also used to clean ceramic and lead marble floors and similar surfaces when they are not particularly dirty. A cleaning action without rinsing is required. At the same time it gives back a shiny aspect to the treated surface.

DIRECTIONS FOR USE

Spray or spread on the surface to be cleaned and wipe with a proper cloth.
Rinsing is not required

PRECAUTIONS

Refer to the safety data sheet
