## **FRIT TAB CLEANING TABLETS FOR PROFESSIONAL FRYERS**

Cleaning tablets for degreasing and decarbonizing professional fryers and baskets for deep fryers with surfaces in stainless steel.

FRIT TAB quickly removes oils and carbonized grease from the fryer surface leaving it cleaned and without bad odors deposit. Use it periodically to obtain a stronger action.

It is safe on iron, steel, stainless steel, bronze, copper. Do not use on aluminum parts.

### **INSTRUCTIONS FOR USE**

#### **DOSAGE**

- 1 tablet for small fryers (15 liter tank)
- 2 tablets for large fryers (25 liter tank)

#### **METHOD OF USE**

Empty the fryer. Fill the tank with water up to the level indicator and bring to 110 °C. Insert the tablets. Boil for at least 20 minutes. Empty and rinse

Do not use on aluminum parts.

#### **PRECAUTIONS**

Refer to the safety data sheet
