OVEN LIQUID 2 ACT

DETERGENT & RINSE AID FOR SELF-CLEANING OVENS

It is a concentrated detergent with a rinse aid action designed for use with ovens with self-cleaning systems.

- Can be used with all self-cleaning and convention ovens
- Removes stubborn dirt including burnt fats in a single wash cycle
- Its rinse aid action leaves the oven chamber shiny without streaks
- Avoid contact with aluminium

DIRECTIONS FOR USE

Use the dosage according to the manufacturer's instructions.

PRECAUTIONS

Refer to the material safety data sheet
