PUNISHER S

READY TO USE DEGREASER WITHOUT NTA

PUNISHER S is an energetic scented liquid detergent ready to use for general use, safe on all painted surfaces and not, metal, plastics, etc.

It is an alkaline, foam-controlled, yellow-colored formula that can be used for the removal of dirt, dust, protective oil films, grease, light carbon deposits, atmospheric smog, etc. from metal or plastic surfaces, aluminum panels, air conditioning filters, etc.

It is safe to use on all type of paints.

Easy to be rinsed, it leaves the surfaces without streaks and stains caused by the hardness of the water.

It can be used on the majority of plastic materials such as Plexiglas, melamine, skai, etc.

It can be used on all metals in particular it is very suitable for stainless steel.

DIRECTIONS FOR USE

PUNISHER S is a ready to use product, and it has to be sprayed on the surface to be cleaned and it should be left for a couple of minutes in order to obtain the best result.

After using **PUNISHER S** the surface need to be rinsed with clean water.

PRECAUTIONS

Refer to the material safety data sheet
