VETRIX

FAST EVAPORATING READY TO USE DETERGENT FOR CLEANING GLASS, WINDOW AND CRYSTAL SURFACES

It is a ready to use liquid alcohol-based detergent specifically formulated to clean glass and crystal surfaces and mirrors

It eliminates traces of grease, oil, atmospheric dirt, dust, light soot spots, etc.

The product evaporates rapidly; it also contains special components that prevent the re-accumulation of dirt as well as ammonia components to remove stubborn dirt.

DIRECTIONS FOR USE

VETRIX is a ready to use product, and it has to be sprayed directly on the surface to be cleaned or on a cloth, and it should be left for a one minute in order to obtain the best result. It is better to use an appropriate cloth instead of normal sponges or paper towels

PRECAUTIONS

Refer to the material safety data sheet
